From Our President:

This will be the eighth month since our last general meeting when we last saw each other. As you are all aware, the state guidelines for safety and health have greatly affected everyone, in many aspects of our life. Our club has not been immune and we have

not been able to participate in so many yearly activities as a group. We miss the annual show/sale, the field trip, the cactus cook-off, and the auction just to name a few. But this is November and there is the club election with which everyone can participate.

No, this is not the conventional way that the club holds its election but this has been an unconventional year, thus far. I truly hope everyone can appreciate the current limiting circumstance and that we can support this improvised method for the election. There are two open Directors' positions for the Board that require members to cast your vote. These two positions are currently being served by John Reynolds and Karen Roholt. Both John and Karen have expressed their wish to run again for the position of Director. Any current member who is interested in running for one of these positions can nominate themselves or any other current member. Each of the two Director positions has a two year term and will commence at the end of what would be the December's general meeting.
