January, 2021

Normally, this time of the year I would be welcoming you into a happy New Year. We would all be looking forward to another exciting year of fantastic succulent speakers and numerous upcoming show and sales. Instead, not only are we still in the grip of a major world-wide health pandemic but we're all trying to process the ongoing political upheavals affecting everyone here in America. Such is life and we will continue to move forward.

You may have also have noticed that this message comes to you in lieu of the regular monthly newsletter. Our Vice-President, Trish Davis, resigned last month due to personal family matters. Because Trish was also the club's newsletter editor, our monthly publication will be curtailed and improvised for the foreseeable future as we are adjusting to these developments. Should you wish to assist with producing the newsletter, I welcome your input. Should you wish get involved with the club's Board, the position of Vice-President is currently open for your consideration. Board contact numbers are below and we hope to hear from you soon.

Despite these challenges, the wonderful world of cactus and succulent continues for us. The twice monthly CSSA webinar speaker program is ongoing. This year's planned speaker and topic will continue to fulfill the organization's mission of sharing knowledge, providing education and promoting conservation. As a reminder, all programs are free of charge and you can register to participate at the CSSA website - <http://cactusandsucculentsociety.org/>

I will wish us all a safe and more peaceful year to come.

Phuc
